

DAIS Holiday Choral Concert News

Dear Parents,

The following letter contains some information about our upcoming DAIS Choral Concerts on **Monday, December 4, 2017 at 7:00 PM and Tuesday, December 5, 2017 at 9:30 AM, 1:30 PM and 7:00 PM** in our auditorium. Due to the large number of attendees, please consider coming to one of the daytime performances. Those people coming for a daytime performance can park by the red community or by the main office (flag pole). As a reminder, 4th and 5th grade students will perform at only one of the evening concerts, based on their homeroom. This is due to the large number of 4th and 5th grade students participating in chorus. A chart is included below for clarification.

**All performances will be streamed live for those who cannot attend one of the concerts.
Please go to the DAIS website. The link will be listed under the "Technology" tab.**

It is extremely important that EVERY student attend their evening performance. If there are conflicts, we should be informed ahead of time. We do hope that this once a year concert is given top priority in regard to your child's attendance. The children have worked very hard and have made sacrifices in order to participate.

We look forward to seeing your family at this concert. We know that you will enjoy it!

Sincerely,

The DAIS Choral Team
