

A Season of Giving!

Our annual holiday service project is underway
and we invite you to participate!

Please consider reaching out to others
in our school and community during this holiday season.

Sponsor a Child Program

This provides the opportunity to purchase requested clothing, gifts and other needed items for one child. Families will be responsible for purchasing one outfit, two gifts and a few additional items (toiletry items, scarf, gloves, hat & socks) for a child. Each requested gift costs \$25.00 or less. **If you are interested in sponsoring a child, please complete the form on the second page of this letter and return it to the DAIS School Counselors, by Wednesday, 11/13.** The School Counselors will be in contact with you by Monday, 11/18 with your sponsor child information and to share drop off times for your donations.

Please contact your community counselor if you have any questions about the holiday service project.

Thank you for your kindness and generosity!
