

DAIS Spring Band Concert News

Dear Parents,

The following contains some information about our upcoming DAIS Band Concert on **Thursday, May 24, 2018 at 7:00 PM** in our auditorium. We have over 250 students participating and approximately 800 seats for this concert. This allows only three to four people per child for the evening performance. There will be other opportunities for grandparents/friends to view our concert. There will be additional performances on: **Wednesday, May 23, 2018 at 1:30 PM and Thursday, May 24, 2018 at 9:30 AM. Concerts will also be streamed live on the DAIS technology website.** Please know that we have about 300 extra seats for each of these daytime performances. Those attending the daytime shows can park by the Red Community or by the Special Education office (flag pole). Band members should wear dark bottoms and white tops for all performances. Jeans should not be worn for any performance. Jazz Band students will wear our blue tees for all performances. Students should arrive at 6:15 PM for the May 24th evening performance. **It is extremely important that EVERY student attend the evening performance. If there are conflicts, we should be informed ahead of time. We do hope that this once a year concert is given top priority in regard to your child's attendance. The children have worked very hard and have made some sacrifices in order to participate.** We appreciate your understanding as we work to accommodate everyone for the concert and we look forward to seeing your family in attendance.

Miller's Plant Farm will be selling planters to us at their cost. The planter will be filled with beautiful flowers that are bursting with color (please visit our website at www.dallastown.net for color photo). The cost is \$10.00 per planter. We will use these flowers to decorate our stage. The planters can be picked up the evening of May 24 after the evening band performance.
